

## Products

### **BSN medical is Your One Source for Total Care**

BSN medical was originally created by a fusion of Beiersdorf Medical and Smith & Nephew Products. Our name stands for brands with a long history that you are familiar with and have come to trust. BSN medical combines the experience, consistent quality, dependable service and innovative strength of two global players with long traditions in the worldwide healthcare market.

We are currently updating our database to bring you the latest information on BSN products available in your region. For an overview of our most popular international brands, please take the product tour.

For more information, email [info.bsncanada@bsnmedical.com](mailto:info.bsncanada@bsnmedical.com).
